## Plan For Referendum On Library In July

A group of interested citizens met at the home of Mrs. T. Arthur Shoop this week to draw up plans for a public library referendum for Mokena. The group included Joseph R. Bernardin, Mrs. Rudolph Englehardt, Clarence M. Miller, Mrs. Louis R. Richards, George E. Sangmeister and Walter W. Welsch.

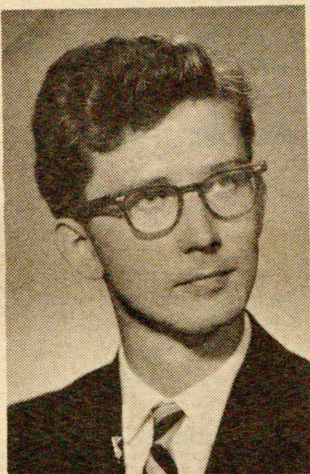

A petition was prepared to be circulated to the voters of the Mokena school district to ask Circuit Judge Michael A. Orenic to set a date for a referendum for the establishment of the Mokena Community Public Library District. Rolling Heights is excluded from the proposed library district because it is a part of the New Lenox Township Library set-up.

The vote would be for a levy of 6 cents per \$100 of assessed valuation to establish a modest library and qualify for state and federal library funds. It is hoped that petitions may be ready for circulation this week and that an election may be set for July.

Earlier this week Mrs. Rudolph Englehardt appeared before the Village Board of Mokena at its regular session to bring this group up to date on the background and plans for a public library. All Mokena organizations are being contacted by the Mokena Book Club this month in an effort to educate residents in the area on the importance of establishing a public library district in 1966.

## Will Celebrate Loyalty Day At L-W High May 2

Annual Loyalty Day program will be staged Monday, May 2, in the Lincoln - Way High school auditorium.

Loyalty Day was designated by the U.S. Congress, in a public law, as a special day for the reaffirmation of loyalty to the United States and for the recognition of the heritage of American freedom. The actual date is May 1, which is also observed by the American Bar Association as Law Day.

With recent demonstra-

tions in various sections by draft card burners, flag trampled and deriders of patriotism, Loyalty Day takes on added significance, Dailey pointed out.

The speaker at the Lincoln-Way assembly Monday will be State Senator Paul Simon, of downstate Troy, who graciously consented to fill in for Congressman Sidney Yates, of Chicago. Congressman Yates was to be the principal speaker but will be out of the country Monday on a special committee assignment for NATO.

## A Bad Dog-No Mail, Post Office Rule

Mail carriers get it both ways.

In winter they slip and slide on their appointed rounds, bucking snow and sleet and zero blasts that pierce the very marrow--but there are no dogs. The dogs, not having to work for a living, hug the fire and have no truck with that outdoor stuff. Oh, they know when the postman passes and sometimes as a matter of form they may bark or growl, but their hearts aren't really in it.

Come spring, the mail carrier may find life a bowl of cherries weatherwise--but then he has dogs.

Some dogs like postmen and some dogs do not. Why some dogs dislike postmen is probably a question that the postmaster general would like to have answered. So far no one has popped up with an explanation.

Some postmen are fortunate in meeting up with "friendlies" at the beginning of their routes and the pack grows as he progresses on his round so that when he does encounter "hostiles" he has no problem. The "hostiles" are so busy exchanging greetings with the "friendlies" that they have no time for the mailman.

But the mailman does not have to depend on canine

bodyguards for protection. Uncle Sam will give him a hand thru the Safety Program of the Post Office Department.

Evelyn Kramer, postmaster at Orland Park, in keeping with the program, is asking the cooperation of dog owners.

"Please keep your dogs confined during the usual delivery hours in the neighborhood. If a dog interferes with mail delivery to an address other than the owner," the postmaster said, "service will be withheld from the neighborhood if the animal is not restrained and continues to annoy the carrier. Many man hours are lost each year by reason of dogs biting carriers, not to mention the pain they suffer."

So it boils down to this--if dog owner wants his mail delivered he should keep his pet confined.

### L.E.A.C. DANCE

The Lincoln Estates A.C. is giving a dance at the Frankfort Veterans Memorial Hall Saturday night, April 30. Tickets are \$1.50 and may be purchased from any member or at the door, it was announced. The Mood Makers Combo will furnish the music.

## May 1 Deadline For Vehicle Stickers

Car and dog owners are reminded by Police Chief Ted Massey that May 1 is a date to remember.

Village vehicle stickers will cost double beginning May 1, and dogs must have a tag on their collars showing they have been inoculated against rabies.

Village Clerk Walter Pfaff says he will be at the village hall tomorrow (April 29) until 9 p.m. and on Saturday, April 30, from 9 a.m. to 12 midnight to accommodate those late comers for vehicle stickers.

Persons without the new Frankfort stickers on their cars also will be subject to arrest and fine beginning May 1, Chief Massey warned.

Persons driving company or leased cars who have the vehicles in Frankfort overnight also are required to purchase village stickers, according to the ordinance.

Dog licenses also must be paid before May 1. Inoculation shots against rabies are good for a year, it was pointed out, so dogs that have been so treated in the past 12 months will not have to have another shot but they must wear evidence that they have been immunized. All dogs in the village must have license tags as well as anti-rabies tags, Massey declared.

The ordinance banning junk or abandoned motor vehicles goes into effect at Frankfort on May 15.

## Mokena Firemen Plan Two Nights Of Fun

Mokena Volunteer Firemen are busy these days completing plans for their annual card party and dance.

At one time both affairs were held on the same night but there are some who like to play cards as well as dance but found it difficult to do both. To solve this problem two nights are reserved, one for cards and one for dancing. The same ticket is good for both events.

The card party this year will be held May 7, at the Veterans of Foreign Wars hall on Wolf Rd., beginning at 8 o'clock.

The dance will be held at the same place on May 14, beginning at 9 o'clock.

The tickets are in the mail, according to Kenneth Warning, chairman.

As has been the custom in the past there will be prizes at the card party and on the night of the dance the first 100 women to arrive will be presented with corsages.

Bob Anthony will provide the music.

Proceeds from the card party and dance will be used by the department for the purchase of equipment.

## Open Letter from the Hirschs

Dear friends,

The human body was divinely created to house a soul; they are so intertwined during life that the human mind requires time to accept the fact of their separation in death.

Therefore, it is natural, proper and wholesome that the bereaved should respect the physical body which remains here on earth, and desire that its disposition be reverently accomplished.

Respectfully,

## Arbury Hills

# Opening Baseball Day On May 11

MRS. EDWARD HOVI  
Telephone: 479-5740

The Arbury Hills Baseball League announces that opening day of the season will be held the afternoon of Sunday, May 22. The festivities will begin at 1 p.m. with the big parade, featuring bands, floats, and etc.

Following the parade there will be a double header baseball game. The two farm teams will play at 2 p.m. followed by the "A" team of Arbury Hills playing Lincoln Estates "A" team. Further details regarding opening day activities will be announced at a later date.

The Baseball League is undertaking a rather ambitious program this summer. In addition to sponsoring two farm teams, a "B" team and an "A" team, the league is supporting, in conjunction with Lincoln Estates, a "Colt" team and a "Pony" team. It looks like enough baseball for everyone in Arbury Hills this summer.

This Saturday is the long awaited date for the annual talent show at the Arbury Hills school. There will be over one hundred youngsters participating in the show, which is scheduled to last approximately two hours.

The dress rehearsal is set for tonight, Thursday, at the school at 6:30 p.m. The two regular performances of the production will be held at the school this Saturday, April 30, with the matinee for

Harlow Jensen, decoration chairman.

Good Shepherd Lutheran - Rev. Erwin J. Baumgartner, pastor. Sunday school at 10:15 a.m. Worship service at 9 a.m.

Friday, April 29 - Tenth anniversary dinner. Servings at 5, 6, and 7 p.m. For reservations call 469-2282 or 469-5516 or 469-5374. Adults \$2.50, under 12 \$1.25.

Sunday, May 1 at 9 a.m. Holy communion. The Rev. Herbert Bolman of Kankakee will be the guest speaker.

Frankfort Methodist - James A. Parker, minister. Sunday school at 9 a.m. Worship service at 9 a.m.

the youngsters at 2 p.m. Tickets will be 35¢ for children from eighth grade and younger, and 50¢ for high school age and older.

The evening performance will begin with a buffet dinner at 6:30 p.m. and the show proper starting at 8 p.m. The cost of the ticket for the evening performance is \$1.50 including both the dinner and the show. Quite an entertainment "bargain" don't you agree?

As we all know, an undertaking of this extensive nature doesn't just "happen". It takes the cooperative efforts of numerous generous adults in addition to the talents of the youngsters.

The committee consisted of: co-directors; Connie Behnke and Marilyn Ferro; music, Mary Ann Tekotte, Phyllis Prather, and Adeline Shranz; piano, Sandy Anderson; tickets and programs, Barbara Lindeman, and Rita Homer; lighting Al Behnke; decorations and stage effects, Jim Reeves and art classes of the school; costumes and centerpieces, Leanne Blecha and Effie Strouse; dressing room, Evaline Jensen, Ruby Williams, Joanne Hill and Mrs. Edw. O'Connor; kitchen, Joan Neumayer, Pat Anderson, Joan Blackman, Mary Harris, Elnora Scott, Marilyn Lacey, Jewel Teraccina, and Jean Dornseif; and the usherettes, Wendy Case, Mary Jo Wallis, and Robin and Sheila Lawson.

The Cub Scout father-son weiner roast scheduled for last Saturday evening, was called off because of rain and wet grounds. A new date will be decided upon at the pack meeting at the school tomorrow evening, Friday, April 29, at 7:30 p.m.

The Arbury Hills baby sitters cooperative will have its secretary's book change hands on May 1 from Mrs. Pat Tanis to Mrs. Shirley Boothe. Mrs. Boothe will have the book for the entire month of May.

Any member needing a baby sitter should contact Mrs. Boothe at least twenty-four hours in advance of the date needed at 479-5586.

## Tom Geary, Golf Pro At Willow Run Course

Giving group lessons, as well as individual instruction, is anything but new in the long career of Tom Geary, pro at Willow Run

Country club.

When he was at Indian Head he used to have 200 out for group instruction and the same at other courses in the

past. He was at Biltmore Country club and Oconto, Wis., before he gave up teaching golf to become associated with the City National Bank a Chicago. He was at the bank 13 years but he never lost his interest in golf.

He has been a resident of Mokena for 13 years now and some years ago when the Civic Association was in charge of Mokena Community park (that was before the park district was formed six years ago). Geary used to give group lessons in golf in the late spring and early summer.

He is giving such a course for women at Willow Run and anyone interested is welcome. The classes meet Tuesday mornings, the beginners at 9:30 and the advanced group at 10:15, and the lessons are free. The course runs six weeks starting the 1st week of May. In case of rain instructions will be held in the clubhouse.

The pupils learn how to grip the club, how to stand, how to pivot and how to swing, and Geary takes them thru every club in the bag, from driver to putter.

There was a popular tune once, "if you ain't got that swing..." and the same holds true for golf, it was pointed out. Grooving the swing and practice will enable anyone to cut strokes off his or her game, it was pointed out.

The women of Willow Run have an organization of their own, the Willow Run Women's Golf club. The members play every Thursday morning, starting at 9:30 and they represent several neighboring communities, Mokena, Tinley Park, Frankfort, New Lenox and Homewood, to name a few.

In the off-season they play bridge and have luncheons. They all enjoy themselves and hope more women will join them. No formal invitation is necessary, it was pointed out, just come out to Willow Run and join the fun.

### Oldest Golf Course West of Alleghenies

The Downers Grove Golf Club dates back to 1893 when it was originally named the Chicago Golf Club. Sir Henry Trueman Wood, British Commissioner to the Chicago World's Fair, together with prominent industrialists decided on the desirability of a golf course. In his group were James B. Forgan, Chicago Banker; J. C. Sterling of Illinois Steel Co.; J. Marshall Weir, a Belfast Irishman; Herbert J. Tweedie of Liverpool; and Chas. Blair Macdonald. A. Haddow Smith, a Lanarkshire golfer who located in Chicago in 1890 learned of their interest and decided to devote 60 acres of land that he had in Belmont on the CB&Q to that purpose.

With a hired man and wheelbarrow, Smith laid out a 9 hole course with tin cans as "cups". The prementioned group played the course and later organized the Chicago Golf Club. Other early members included Judge Murray, F. Tuley, James Deering, Joseph Leiter and J. A. Ryerson.

# Orland C. of C. Plans Amateur Tournament

An amateur tournament, open to all golfers, is to be staged at Silver Lake Country Club, Orland Park, Sept. 14-15, with the Orland Park Chamber of Commerce as sponsor.

Orland Park is the "Golf Center of the World," according to the slogan adopted by the Chamber of Commerce and approved by the village board, and Chamber leaders believe it only fitting that the community be the scene of a

big amateur tournament. The sponsors hope to make this an annual fixture.

In addition to several handsome trophies, \$1,000 of merchandise will be distributed as prizes.

According to the tournament committee there will be a large traveling trophy that will go to the winner. Trophies also will be given to those placing second, third, fourth and fifth which they will retain.

There will be a \$15 entry

fee which also will cover the dinner dance at tourney's end. The tournament will be a 36-hole, medal play affair. At the end of the first day of play there will be a cut with the upper half going for the trophies.

To make certain that entrants are amateurs, it was said, each will be required to submit a certified handicap. However, the handicap has nothing to do with play in the tournament. The rule there is quite simple—the player who takes the fewest strokes is the champion.

The tourney will be played over the North course at Silver Lake. The North course was the scene of the 1958 Amateur Pub Links. There are two courses there and the North is the toughest, it was said. It does not have a lot of timber and water but it is 6,795 yards long and has some of those long par fours that can be mean.

There is water on the 10th hole and again on the 18th. The 18th is a 191 yds par 3 with water out in front of the green and this can be annoying. For that matter, it was pointed out, any hole can be annoying if not properly played.

Par for the North course is 37-35-72 and is fashioned as follows: Out-445 344 544-37 In-443 445 443-35

Those in charge plan to give the tourney wide publicity with the hope of attracting a large field. Details concerning entry dates will be announced later.

## Daylight Time Adds Hazards To Motoring Old Oak Country Club Has Challenging 18

The return to Central Daylight Time at 2 a.m., April 24 has resulted in longer daylight hours, increased evening playtime for children, and the need for extra alertness by homeward bound motorists, cautioned Gerald W. Cavanagh, president of the Chicago Motor Club.

"Warmer weather and longer daylight hours bring out the youngsters in the late afternoon, and, unfortunately, they are not always wise in their choice of playing areas," Cavanagh said. "Because a child busy with play is seldom alert to the dangers of traffic, it is the motorist's responsibility to be especially alert for forgetful youngsters."

He said that the danger is greatest in cities during the evening rush hour peak, because children are most likely to be playing at this time--many in non-supervised areas. Cavanagh urged drivers to remain alert for such tell-tale signs as a ball rolling from between parked cars or a dog running across the street.

"It is essential that parents instruct their youngsters in sound pedestrian safety practices and urge them to seek recreation in supervised areas, not in the streets," he added.

Old Oak Country Club at 143rd st. and Parker rd., 5 miles west of Mannheim rd. is a challenging 18 hole course laid out over 160 gentle, rolling, wooded acres.

Frank Aldridge Jr., manager, announced many improvements on the course and club facilities since last season. Large new tees, sodded with Merion Blue, have added 250 yards to the course. Eight new traps are now in place. Trees have been added to the first fairway.

A new club house built during the winter months now provides a modern bar seating 18 persons and dining facilities for 60. The club house is located at the top of a hill overlooking an area of the course abounding in flowering crab apple, hawthorne, apple and wild cherry trees.

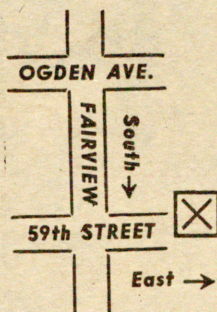

Forty acres of the course are heavily wooded with virgin timber, wild flowers, game and birds of many species.

Contracts have been let to enlarge the parking lot and for the construction of new tees.

Law enforcement officers of the state, county and city of Joliet rendezvoused near Mokena Friday morning and a couple of hours later,-- shortly before post time of the first races someone deduced -- they descended on seven locations at Joliet and arrested 14 persons on charges of gambling.

The raids came after preliminary work dating back several weeks by law enforcers. Will county's state's attorney, George E.

Sangmeister, Sheriff Joseph Trizna, State Police Captain Robert Georgantas, Police Chief Henry Schelling, of Joliet, and Charles Siragusa, executive director of the Illinois Crime Commission, were in charge of the raids. There were some 30 members in the raiding party.

The places hit are alleged to have housed booking facilities for horseplayers. Most of them were in saloons. Some of those arrested were playing cards when the

raiders struck.

All were brought to the Joliet police station where Magistrate Charles Connor released them on their personal bonds that ranged from \$500 to \$3,000 each. The cases were continued until 10:30 a.m. May 13.

The raiders had brought in about \$2,000 which they had seized as evidence of gambling, according to Assistant State's Attorney Martin Rudman, but such money was being held and could not be used to post cash bonds.

No one from this area was found at any of the places raided.

## Lincoln-Way Varsity Nine Playing In-And-Out Ball

BY ANDY GARISH

Lincoln - Way's baseball team has been having an in and out season to date. It began the season with a game against Providence that is still to be completed. Then there was a loss to Evergreen Park. An error in the sixth inning was the Knights downfall, the Mustangs scoring two unearned runs after there were two outs. This wiped out the tally scored by L-W in the first inning on singles by Ken Kamradt and Dale Ebert and a double by Tom Tilsy.

In another encounter Lincoln - Way took a 1 to 0 decision over Reavis, another conference foe, thanks to the superb pitching job turned in by Pat McCabe. McCabe limited Reavis to two hits, striking out nine and allowing one walk. The Knights got their winning

run in the fourth frame when Paul Schubert singled, was sacrificed to second, and scored when Rich Marcordes threw wild when he tried to start a double play.

In two earlier games Lincoln-Way creamed Joliet West, 9 to 0, and then bowed to Lockport Central, 3 to 2.

In the Joliet game the Knights' Mike Derrig hurled a 3-hitter, fanning seven and walking one. Dale Ebert and Ken Kamradt collected seven hits between them, driving in four runs. McCabe accounted for three more of the Knights tallies with two timely hits.

Ebert pitched a good game against Lockport, allowing but three hits, but the defense gave way and three errors gave the Porters plenty of mileage.

Back in the league wars the Knights lost to Rich East

4 to 2 in a game played last week between drizzles but on Friday night Lincoln-Way went back on the winning side, blanking Homewood - Flossmoor 2-0, on the pitching of Mike Derrig. Led by the hitting of Dave Eden and Mike McCabe, the Lincoln-Ways gave Derrig all the support he needed. Eden had two hits on three trips to the plate and McCabe had one for one.

A single by Dave Ebert in the first inning, a walk to Tim Tilsy and a single by McCabe gave Lincoln-Way its first run. The Knights added their second in the fourth inning on a single by Eden, a sacrifice by Keith Schram and two throwing errors.

But on Monday night of this week Lincoln-Way lost to Oak Lawn at Oak Lawn, 3 to 2.

Who determines what your life shall be? What determines the real nature and destiny of man? If it be God, then there is more to prayer than mankind dreams, and every trial in our lives is an opportunity to discover man "in His image."
